**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I rely on my local ISP, Sonic, for my internet. I started out on their dsl product, but they upgraded my area so I was able to switch to fibre. I love the service, it's cheaper and faster than the big national players, not to mention Sonic is committed my privacy, the likes of which I can't say att, Verizon, Comcast, etc are.

Please say NO to price hikes that will increase the cost of internet and telephone services for folks who are lucky enough to still have a local ISP.
